

“DRAMA”

Series: Worship & the Creative Arts
Sermon Questions from The Path

Read the story of Jesus washing the feet of the Disciples from “The Voice.” Help members of the class to read their parts expressively. After the reading, how was reading the Scripture dramatically different from normal reading? Who did you identify with? How did you feel?

Read Ezekiel 12:1-6. What was God communicating to His people? Why would God use such a means of communication?

How can drama be an act of worship in a worship service? What are the strengths? What are the weaknesses? How does it aid the actor in worship? The congregation?

What drama in your life did God come through at the last minute? Tell about other times God did not come though as you had hoped. What did you learn?

What does Dr. Martin mean when he said, “Holiness and an intimate relationship with God are God’s main purposes for our lives.”?
