

“The Changing Church”  
Series: The Ancient-Future Church  
Sermon Questions

What changes have you seen in the church and church worship services in your lifetime?

Why do you think that the Church often resists change?

Read Mark 2:21-23. Discuss each of these two parables. What is the common meaning Jesus is communicating? How does this related to the church today?

Read Acts 15:1-31. What is the debate going on? What is at stake? What changes happened in the church as a result of the Jerusalem Council?

What significant changes have happened in Church History? What are your thoughts about this being a time of a major change in the Church? What concerns you about this possibility of a significant change? What excites you about it?

How can we be a part of reaching, ministering to and supporting the Millennial generation? What changes do we need to make as a church? As an individual Christian?
