

## **“UNMASKED”**

**Read Exodus 34:29-35. What was happening to Moses? Why did he place a veil over his face?**

**Read 2 Corinthians 3:13-18. What does Paul say about the veil of Moses? What was your favorite costume mask as a kid? What did you like about it? How did it make you feel?**

**People still wear masks to hide who they really are as well as to pretend they are someone else. What generic masks do people wear? (clown, sarcastic, hip, etc.) What does this say about them? Why do people wear masks like this? What are the benefits of masks? What are the drawbacks?**

**What classic literature, movies, etc. use the idea of masks. How does this relate to the image they are trying to project?**

**Read Isaiah 59:2. What does this say that ‘masks’ can do?**

**How do we remove the masks that we wear?**

**What does 2 Corinthians 3:18 say will happen when the veil/mask is removed from our face? What does it mean that we are being “transformed into his likeness with ever-increasing glory?”**
