

"GOD'S HEALING"
Questions from *The Path* sermon
January 8, 2012

Have you ever been terribly ill to where you were so miserable, death seemed like a welcome option? Describe that time. What were you willing to do to be healed? What are the dangerous lines of faith that we are willing, or not willing to cross?

Read 2 Kings 5:1-14. Who was Naaman? What was his disease? Why did the king of Aram approach the King of Israel first? Who was Elisha? Why did Naaman go to Elisha?

What did Elisha tell Naaman to do? Why wouldn't Naaman do it at first? Why did Naaman change his mind? What happened in Naaman once he was healed?

What does this story teach us about God's healing?

Read James 5:13-16. Why does James recommend anointing with oil? What are the many different ways that Jesus healed? (i.e. What did He use or not use? Did He touch or not touch?)

Why does God heal some and not others?
